<u>Irregular Peal</u>  $[ \bullet \ \ \ \ \ \ \ ]$  <u>verbs</u> are three letter verbs where the first  $[ \Box ]$ , middle  $[ \bullet ]$  or last letter  $[ \bullet ]$  is either an alap (a), yod (y or i), nun (n), waw (o or u) or heh (h). Two letter verbs are also irregular and they double their second letter in the conjugations.
